# Add pixel

```
image_var=imread('leaf1.jpg');  
image_50=imadd(image_var,50);  
image_100=imadd(image_var,100);  
  
subplot(2,2,1),imshow(image_var),title('original image');  
subplot(2,2,2),imshow(image_50),title('add 50 pixel');  
subplot(2,2,3),imshow(image_100),title('add 100 pixel');
```
